June 2011

Dear MBC Members,

Welcome to the 2011 season at the Madison Beach Club. If you attended any of the events and offerings that took place over Memorial Day weekend, you will have witnessed our successful start to the summer ahead. Sunday night's lively band was juxtaposed to Monday's mellow, red-striped trio. Saturday and Sunday's Snack Bar offerings were complemented by Monday's cookout. Bill Carroll and his staff had something for everyone. We thank them for their effort, as well as that of the gods who provided the great weather. Almost all key personnel are returning this year.

If you visited the Club this June, you noticed the work of the Outdoor Planting Committee which provided pots on the porch and tennis courts, geraniums and hanging baskets along the front, etc. Other efforts went into beautifying and readying our facility, notably the shoring up of the Dining Room sub-structure and replacing the sliders with French doors. Some of the tennis courts have a new sprinkler system, the dock house has been painted and roofed, and the end of the dock has a new flag pole. You may also note some new beach and other furniture. We continue to work on investigating, maintaining and improving our clubhouse structure, particularly the western section.

I remind you that most of the many activities we offer are run by member volunteers. Please don't be shy in offering your services. Particularly, I point out the need for help with the Follies, a long standing tradition which truly has something for everyone in your family in terms of service opportunity, entertainment and satisfaction. This year's show is aptly titled, "It's a Family Affair." Participation in the show is a good way for new members to get immersed quickly in MBC culture and relationships. Speaking of new members, we have quite a few. Please welcome them with friendship and assistance if needed.

I encourage you all to become familiar with the rules, particularly those pertaining to guests and dress codes. Keep in mind that guests are allowed six visits and must be signed in. As always, we insist on respect for our hard working employees. Should you ever have a problem with a staff member, bring it to the manager's attention.

I am sure you join me in thanking the staff and the committees who have already provided us with a happy start to the summer of 2011. The Officers and other Governors will be ready to greet you at the opening party and Flag Ceremony on June 26.

Sincerely,

Anne D. (Toby) Scott  
President
